Work Experience

Business Development Manager | TEAMME Group | August 2019 - Ongoing

In my position I design, build and maintain all the websites for the 5 businesses that operate under TEAMME Group. I work autonomously from home.

Web Developer intern | Digital8 | July 2019 - August 2019

Using REACT and Electron, I was tasked to make a desktop app that links with Mavenlink's API so that the engineers could seamlessly change between client projects.

Apprentice Aircraft Maintenance Engineer | Hawker Pacific/RFDS January 2018 - December 2018

I worked on Kingair aircraft mainly, carried out maintenance by the book always checked off by the head engineer. I studied a cert IV in Aeroskills as part of my apprentice program.

Bunnings Store Attendant | Bunnings | June 2017 - January 2018

A customer service and salesman type of position, I maintained stock, helped customers find what they're after and upsold whenever necessary/possible.

Education

Diploma in Information Technology: Web Development
Australian Institute of Technology | January 2019 - June 2019
